What are we going to tell you?

Profile of a hospital teacher?

Parts of a teacher

A hospital teacher in Spain.

We are just teachers:

- Civil servants.
- Teachers from public school (optional).
- No specified degree.
- Without special training in illness.

A hospital school in Spain.

- Teacher in hospital
- Teacher at home.
- “Isolated”

Why a teacher?

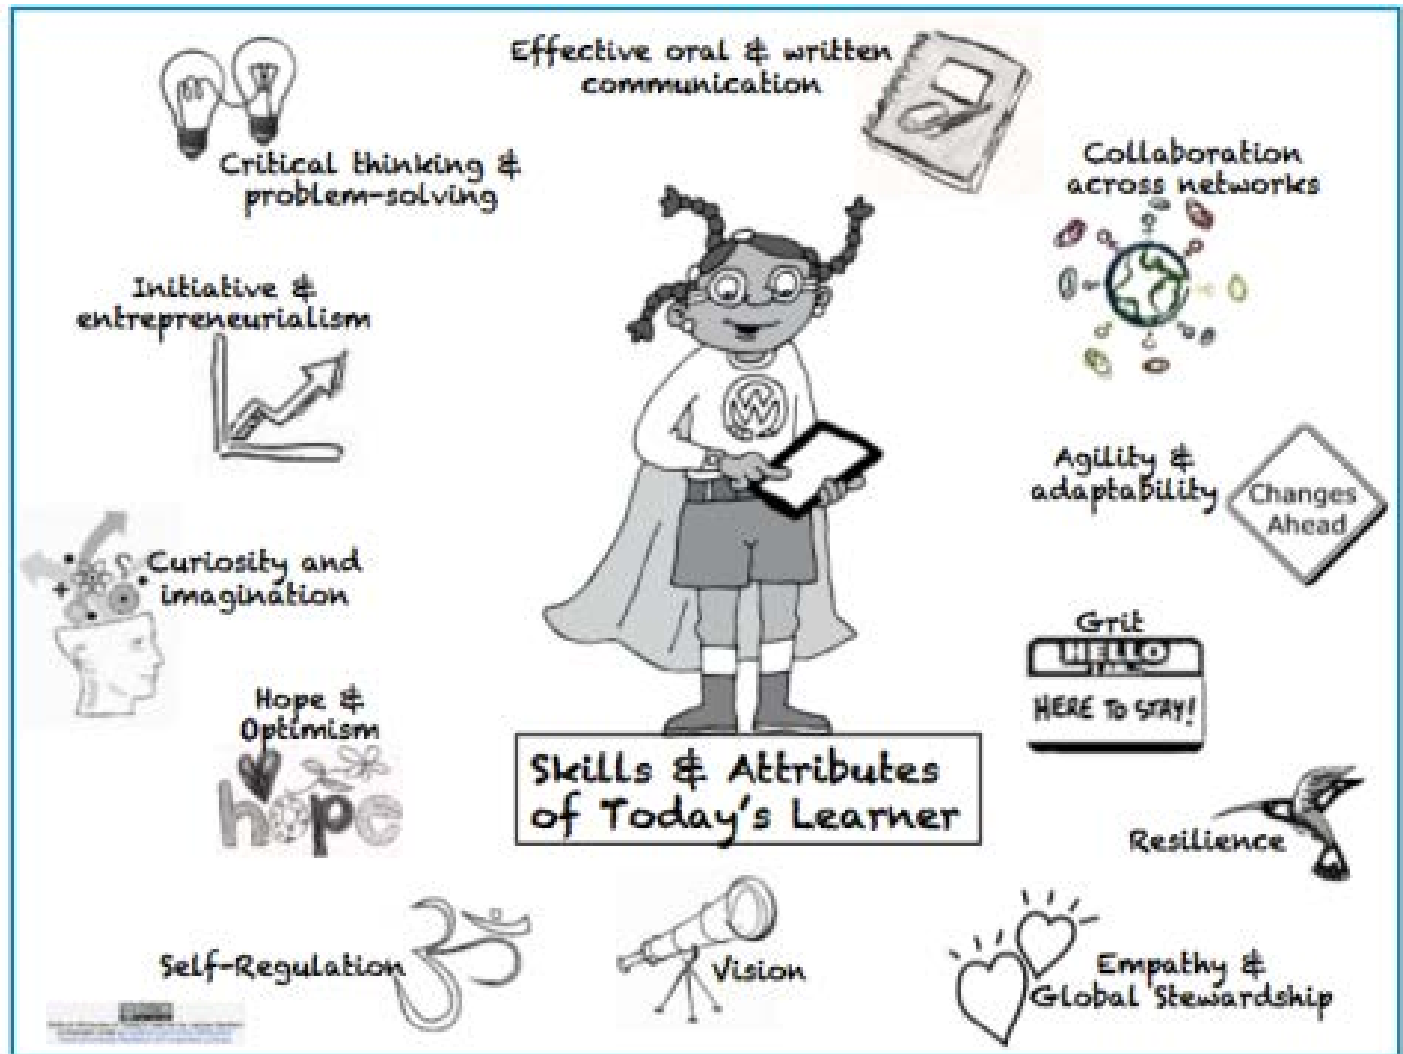

The main aim is provide educational attention to hospitalized students in order to ensure the continuity of the teaching and learning process, and avoid educational lags as a result of their situation.
