Rules of the International Art Competition

For hospital and sanatorium schools under the slogan 'The world through child's eyes' under the patronage of the Regional Methodological and Educational Center

"METIS" in Katowice

CONTEST GOALS:

- Development of the imagination and creative activities of the child, who stays in the hospital and sanatorium departments, using various artistic measures.
- Development of motivation and reinforcement of the process of adapting child to the new environment.
- Reversing the children's attention from the situation and the place in which they are located, recovering negative emotions related to the stay in the medical institution.
- Filling free time during children staying in a medical facility.
